

ELT Consultant Germany

ELT Consultant's main job description is to promote English language magazines published by Bridge Publishing House – Bridge, Gate, and RR. Magazines are for students of English and their teachers. Promotion is done mainly through personal visits to schools and English teachers and at conferences for teachers.

What can you expect?

- visiting teachers of English at schools and organising visits
- presentation of Bridge, Gate, and RR magazines to teachers at seminars and conferences
- planning your schedule
- organising events for teachers of English
- building a relationship with various educational institutions
- marketing and language support for Prague office
- basic administration with subscription orders
- weekly reporting to Prague office

You should have:

- German language skills at native speaker level
- English language skills at fluent communicative level
- communication and sales skills
- basic knowledge of German school system
- your own car and a driving licence
- your own cell phone

We can offer you:

- managing your work
- partially work from home
- six weeks of paid holidays

Work and remuneration:

- a) **part time:** 10 hours per week (particular hours would be agreed on), travel and other cost would be covered
- b) **full time:** 40 hours per week (07:00 – 15:00), travel cost would be covered

Remuneration:

Salary would be paid monthly – you would send us an invoice for your work at the end of each month.

You could choose either from a) fixed salary or b) salary with 40% based on achieved sales:

	salary	hours per week	yearly income fixed	yearly bonus based on sales, added to the fixed salary
a) part time	fixed salary	10	€10 000,00	N A
b) full time	fixed salary	40	€40 000,00	N A
a) part time	salary with 40% variable	10	€6 000,00	up to €30 048,00
b) full time	salary with 40% variable	40	€24 000,00	up to €72 192,00
