

Change Management

with *Patricia de Griese*

(in cooperation with DELTA / Ernst Klett Sprachen)

“The only constant in life is change.”
Heraclitus

Change is a constant in so many ways, sometimes predictably, often unexpectedly. All around us, technologies, processes, people, ideas, and methods often change, affecting the way we perform daily tasks and live our lives and sometimes forcing us to rethink how we work and what we value. The changes that have shaken our industry this past year, the changes that we are still grappling with today, and the changes that we all have to deal with as we revert to a new normal can seem daunting.

This workshop will give participants tools to understand the change process and reflect on their emotions, attitudes and behaviors in times of change. Participants will also gain deeper understanding of the challenges their students may face when leading others through change. We will also take a look at some of the topics, tips and activities included in *Managing Change*, a coursebook by Delta/Ernst Klett Sprachen, covering key aspects of international business operations.

This training session is designed to be interactive. Participants are expected to share thoughts, ideas and experiences, contribute to discussions, respond to polls, speak up during plenary sessions and work in groups. There is an expectation that all learners will use their camera and audio for the duration of the training.

26 June 2021 (Saturday) 13:30 – 16:30
Online through Zoom

Free for HELTA and other ELTA members in Germany

10 EUR for non-members (see below for bank details)
(Attendance / Fortbildung certificates can be provided)

To register for the event, scan the QR code or click on the following link:
